TECHNICAL STATEMENT Corr-Ze 100 (Corrosion Innovations)

To Whom It May Concern:

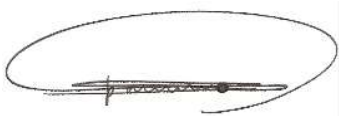

Hempel USA Inc. do not promote or ban the use of Corr-Ze 100 during the surface preparation process of structures/items that will be painted for atmospheric service, provided Corr-Ze 100 is used in accordance with its published application instructions.

The use of Corr-Ze 100 should receive an approval from the owner of the project or site representative.

Please be noted that Hempel USA Inc. do not endorse the use of Corr-Ze 100 or similar products during the surface preparation process of structures/items that will be painted for immersion, splash zones or other similar high corrosion/aggressive environments.

Trust that this is in order. Should you have additional questions, please don't hesitate to contact us.

Yours sincerely,

A handwritten signature in black ink, enclosed within a hand-drawn oval. The signature appears to read "Arlan P. Caballero".
